### GENERAL INFORMATION

MAGNETAR Seed and Soil is a liquid fertilizer for use in seed treatment and liquid fertilizer applications, containing NPK fertilizers with sulfur. MAGNETAR ALL OUT For Seed and Soil is rapidly absorbed by seeds and roots and is designed to promote plant growth and quality.

### COMMERCIAL USE ONLY

MAGNETAR Seed and Soil is water soluble and compatible with common nutrients and chemicals. A jar test is always recommended. For tank mixing add MAGNETAR Seed and Soil directly into a partially filled tank and ensure adequate mixing.

### SEED TREATMENT INSTRUCTIONS

Apply 750ml/1000kg of seed. Dilute with ratio of 1:6 parts of Magnetar All Out to water + other seed treatment before applying. Dilute 5 litres of Magnetar All Out in 15 litres of water, add to 15 litres of additional water or other seed treatment to treat 240 bushels (14400lb/6533kg)

### IN FURROW APPLICATION INSTRUCTIONS

Application rate of 125 ml/ac or 310 ml/ha at planting.

### PRECAUTIONARY MEASURES

Avoid contact with eyes, skin and breathing dust or spray mist while handline. Wear protective gloves. Do not eat, drink, or smoke while using this product. Wash hands thoroughly after handling.

### STORAGE AND DISPOSAL

Store in cool, dry place. Store in original container. Do not reuse container. Triple rinse containers and recycle or disposal in a sanitary landfill or by means in accordance with local, provincial, and federal regulations.
